

Kaltura User Guide: Upload Existing Videos to Kaltura

This document covers instructions about uploading existing videos from to your My Media.

Go into My Media from HuskyCT, click on Add New – Media Upload

Click on Choose a file to upload, select the media file (it can be in a variety of video and photo formats), and click Open.

Enter a Name (required), and optionally a Description and Tags. If you use tags (i.e. name of your course) it could be easier to search for media later.

Click Save. You can upload an additional file if you like or go to that Media to edit it.
